

Dog Owners' Code

Always read and observe the by-laws and regulations which apply in public parks and open spaces.

1. Please ensure that your dog is under control at all times and does not interfere with other people. At all times respect the rights of other Park users. When sports pitches are in use it is particularly important to keep your dog on the lead.
2. Train your dog to defecate at home, before you take him for a walk. Clean up after your dog at all times - especially if he fouls in the Park, on a sports pitch or other public place. Avoid indiscriminate fouling.
3. Do not allow your dog access to children's play areas or ornamental gardens, even when on a lead.
